#### Key Info

When you're outfitting more than a few people, it's not easy to satisfy everyone in the crew – unless you opt for this unusually soft and hefty tee. The 100% cotton Jersey is an unusually hearty 185gsm for substantial softness that appeals to all. The fabric is pre-washed so it starts out fitting great and stays that way. When quality, durability and substance count, this is the tee everyone can agree on.
